WHEREAS, the Milford Park, Beach and Recreation Commission recognizes that medical research has proven that smoking and the use of tobacco products poses a significant risk to the health of the smoker and the non-smoker, and the Commission accepts the belief that adults should be positive role models and should exhibit healthy and positive behaviors; and

WHEREAS, cigarettes, often discarded on the ground when consumed in public places, diminish the beauty of the City's recreational facilities and poses a risk to children; and

WHEREAS the Milford Park, Beach and Recreation Commission determined that the prohibition of tobacco product use at the City's recreational facilities serves to protect the health, safety, and welfare of the citizens of our City.

NOW, THEREFORE BE IT RESOLVED by the Milford Park, Beach and Recreation Commission that all City recreational facilities shall be smoke and tobacco free zones.

Section 1

No person shall use any form of tobacco at or on any City-owned or operated outdoor recreational facilities, including the restrooms, spectator and concession areas. These facilities include, but are not limited to, athletic fields, beaches, parks, playgrounds, recreation/community centers, skate park, tennis / basketball courts, and walking/hiking trails.

This smoke and tobacco free policy shall apply equally to all organizations and persons using Recreation facilities, and their use of the facilities is contingent upon compliance with policy.

Section 2

Appropriate signs shall be posted at all areas that prohibit the use of tobacco products. The community, especially facility users and staff, will be notified about this policy.
