## Day Trip Information:

**Children must be dropped off on time for our trips to the movies and bowling.** We do not allow parents to bring kids to the on site facilities. We work very hard to track all the kids getting on and off the bus. This is a safety issue for your children and we need to enforce it. Please get your kids to their site prior to the bus leaving.

Any money you provide your children for trips must be secured, we recommend putting money in an envelope with their name on it so that money does not go missing.

Each child will receive one tee-shirt for the program. Additional shirts are available for purchase (\$5), but each child will be provided one shirt for the summer. Children should wear the shirt for the trips. We give these shirts so we can keep track of the kids and keep them safe. Our staff will have the right to turn your children away if they are not in the Summer Playground Program shirt. Again, this is to keep your child safe!
