**WHEREAS**, the Milford Park, Beach and Recreation Commission is committed to maintaining and improving the health and well-being of the community; and

**WHEREAS**, the Milford Park, Beach and Recreation Commission recognizes that medical research has proven that smoking and the use of tobacco products poses a significant risk to the health of the smoker and the non-smoker, and the Commission accepts the belief that adults should be positive role models and should exhibit healthy and positive behaviors; and

**WHEREAS**, cigarettes, often discarded on the ground when consumed in public places, diminish the beauty of the City's recreational facilities and poses a risk to children; and

**WHEREAS** the Milford Park, Beach and Recreation Commission determined that the prohibition of tobacco product use at the City's recreational facilities serves to protect the health, safety, and welfare of the citizens of our City.

**NOW, THEREFORE BE IT RESOLVED** by the Milford Park, Beach and Recreation Commission that all City recreational facilities shall be smoke and tobacco free zones.

#### Section 1

No person shall use any form of tobacco at or on any City-owned or operated outdoor recreational facilities, including the restrooms, spectator and concession areas.
